Dear Mr. Abdul Haseeb:

The technical program committee for ICER2020 in 2021 is pleased to inform you that your Abstract entitled:

#1570634399 ('Identification of Unconventional Potential of the Patala Formation, Potwar Sub-basin, Pakistan')

has been ACCEPTED in the ICER2020 in 2021 conference.

We look forward to your cooperation in observing the new and final deadline date of June 30, 2020 for submitting or updating the camera ready manuscript. The complete manuscript of your paper should be written according to the format (can be downloaded from the conference website at <http://estcon.utp.edu.my/icer/index.php/paper-submission/>) and updated in EDAS as soon as possible in order to help facilitate the abstract content printing in the conference proceedings.

The full paper manuscript will be published in the selected Journals or Scopus indexed publishers. The details will be notified by the technical committees upon the agreement with the main author of paper entitled: #1570634399 ('Identification of Unconventional Potential of the Patala Formation, Potwar Sub-basin, Pakistan', Mr. Abdul Haseeb).

The Abstract reviews can be found at <https://edas.info/showPaper.php?m=1570634399>, using your EDAS username abduhaseeb.geo@ajku.edu.pk.

For more information regarding the ICER2020 in 2021, please visit the conference website <http://estcon.utp.edu.my/icer/>

Thank you for your interest and participation as an author in ICER2020.

Best Regards,
Dr. Luluan Almann Lubis,
Technical Programme Chair,
ICER2020 in 2021
International Conference on Earth Resources (ICER2020 in 2021)
