Subject: Participation in the Short term internship

As per the requirement in the Memorandum of Understanding signed for the bilateral Ethiopia-Czech project in the field of teaching geology and geophysics we are sending you one nominee candidate for participation on the short term internship in the field of geological and geophysical survey on selected sites and laboratories in Czech Republic.

Hence, Mr. Aspiron Hangibayna Kussita nominated from the University of Arba Minch to take part in the training for the duration of 15 days from 1st April to 15th April 2016 in Czech Republic.

The University of Arba Minch avails itself of this opportunity to renew the IRSM the assurance of its highest consideration.

Best regards,

Alemayehu Hailemichael Mezgebe (Dr.)
Dean, College of Natural Sciences
